Question: How will the winners be selected?

Answer: A committee comprised of BHHS Legacy Foundation staff, board members, and community partners will review the applications and score them against a matrix. Educators are required to submit their Amazon wishlist for fulfillment by BHHS Legacy Foundation staff. Educators must submit a final report that includes photographs of the program/project. The link to submit the final report along with the deadline will be sent out early May. Failure to submit a final report will make the educator ineligible for future grants.

Answer: The grant funding will remain with the educator if they are in BHHS Legacy Foundation geographic approved area; otherwise, the educator will forfeit the funding, and it will be reallocated. Further, if you are selected to receive a grant, the funding and resulting items will remain at the school listed in your application.
