

Inspiring Educators Terms & Conditions

BHHS Legacy Foundation Inspiring Educators is limited to educators currently employed as teachers or other certified employees in an accredited K-12 public school or accredited K-12 public charter school located in the Bullhead, Fort Mohave, Mohave Valley, Laughlin, Topock, and Needles areas. A qualifying school may have multiple educators apply; however, each educator may only submit one application.

BHHS Legacy Foundation Inspiring Educators program will award 38 educators with grant funding to support their classrooms. The program will utilize a committee to rank applications based on set criteria. The matrix consists of four criteria: application supports BHHS Legacy Foundation focus areas, proposed items are unique/effective, clear impact on students, and inspiration is evident and clearly stated. Winners will be announced on January 31st at an Inspiring breakfast.

If selected to receive a grant, funding will be facilitated through Amazon, utilizing their wishlist feature. BHHS Legacy Foundation staff will purchase approved items and send them to the school on behalf of the educator. Winners will not receive a check or cash.

By submitting an application, you agree to and accept the guidelines and decisions of BHHS Legacy Foundation and BHHS Legacy Foundation Inspiring Educators programs, which are final and binding in all matters related to the grant. Except where prohibited, participation in "BHHS Legacy Foundation Inspiring Educators" constitutes the recipient's consent to BHHS Legacy Foundation and its related entities and their respective agents' unqualified and unconditional use of the recipient's name, likeness, photograph, voice, opinions, and/or hometown and state for promotional purposes in any medium (whether now known or later developed), worldwide, without further notice, permission, payment or consideration. BHHS Legacy Foundation reserves the right in its sole discretion to disqualify any individual it finds tampering with the application process or acting in violation of the guidelines. Any attempt by any person to deliberately undermine the legitimate operation of the application process may be a violation of criminal and civil law, and, should such an attempt be made, BHHS Legacy Foundation reserves the right to seek damages from any such person to the fullest extent permitted by law. Further, I have reviewed the list of BHHS Legacy Foundation staff, Board of Directors, and Officers listed on the Foundation's website [here](#) and attest to the best of my knowledge that I am not related to any of these individuals nor do I live in the same home as any of them nor am I a substantial contributor to the Foundation and its affiliates.
