At BHHS Legacy, we support nonprofits every day. But there is one way you can help support nonprofits each year. The Arizona Charitable Tax Credit repays you, dollar for dollar, on the money you donate to qualifying Arizona charities. You decide where your tax dollars go - and for most people, it doesn't cost you a thing.

Is there a catch? Nope, just a limit. For example, a married couple filing jointly can get credit for up to \$800 donated to a Qualified Charitable Organization (QCO). And QCO is just one of four categories of tax credits! Each is separate - so you can claim the maximum amount in all four categories.

Keep reading for details about how this program works and a listing of nonprofits, foster care charities, and school tuition organizations partnered with BHHS Legacy Foundation for the tax season.

We invite you to choose the organizations you want to support and take this publication to your tax adviser. That way, you have a direct say in where your money goes, and Arizona nonprofits and schools get the support they need. It's a win-win for everyone.

With thanks,
